v.)	CASE NO. 2005-00134
)	
LOUISVILLE GAS AND ELECTRIC COMPANY)	
)	
DEFENDANT)	

O R D E R

On September 21, 2005, Complainant filed a motion with the Commission requesting that the discovery period and the hearing date be extended by no less than 14 days. As grounds for this motion, Complainant states that his counsel came into possession of the Commission's procedural Order immediately prior to the due dates for the service of interrogatories and requests for production of documents. Subsequently, on October 10, 2005, counsel for Complainant and counsel for Louisville Gas and Electric Company informed Commission Staff by telephone that they are actively conducting settlement negotiations.

The Commission finds that, because of Complainant's request for an extension of time and the subsequent negotiations between the parties, the procedural schedule in this case should be suspended generally.

IT IS THEREFORE ORDERED that the procedural schedule in this case is suspended generally.

Done at Frankfort, Kentucky, this 12th day of October, 2005.
